

## **Some dates for the upcoming Academic Year 2021-2022.**

The University of Salamanca has established a period for enrolment at Secretary that will be strict to guarantee that Incoming Erasmus Students do have access to the online portal and that health safety is guaranteed. These dates are:

**INCOMING STUDENTS DURING FIRST SEMESTER (STAYING SEMESTER 1 OR FULL YEAR AT USAL): Enrolment from **September 13 until September 24**, 2021**

**INCOMING STUDENTS DURING SECOND SEMESTER: Enrolment from **February 3 until February 11**, 2022.**

The academic activities start on September 13, 2021 for 1st semester students and on February 7, 2022, for 2nd semester students.

In prior years, incoming Erasmus students could attend different lessons before choosing which modules. This year, with the advent of Online Learning Agreements (OLAs) and the sanitary conditions, this will unfortunately not be allowed and students will not be able to observe different modules. They must go to the chosen ones.

You can find information about the modules in this link
